DR. FOOTE, SENIOR

OF 125 LEXINGTON AVENUE, NEW YORK.

HEREBY CAUTIONS THE PUBLIC

NOT TO EMPLOY OR COMMUNICATE WITH A MAN styling himself "Dr. Foot, Jr.," or "Dr. Foot, Sr.," without making due inquiry.

This man came to Salt Lake City representing himself as the son of Dr. E. B. Foote, of New York, the well-known specialist, as abundantly proved by affidavits. As matters came into Salt Lake City from Dakota and Montana from an expose made here, he changed his base and represented himself as the son of a more noted specialist, a New York City man, Dr. E. B. Foote, the well-known author, Mr. J. F. Trow, of New York City (forty years in the directory business), Ex-Governor FRANK FULLER, of Utah and the Hon. ARNOLD WALKER, for many years Postmaster in New York City, also surgeon of the Port, gave their affidavits that there are no other doctors in New York by the name of Foote or Foote, accepting Dr. E. B. Foote, the author of "Medical Common Sense," etc., and his two sons, Dr. S. B. Foote, Jr., and Dr. HUBERT T. FOOTE, the genuine Dr. Foote, Jr., will hereafter always employ the initials, E. B., in designating his name. Heretofore he has been known not only at home but wherever his publications have been circulated, by the name of Dr. Foote, Jr. Greater care will be taken hereafter, in view of the fact that an unprincipled person has assumed to pose as his son and his father's reputation.

Those desiring further and more detailed information, in respect to this matter, will receive it by addressing Box 414, Salt Lake City, Utah.

Persons having information of advantage to plaintiffs will kindly communicate the same to J. W. Ivey, with Suburban & McBride, Salt Lake City.

Those desiring to consult Dr. Foote, personally or in order remedies should address either

Dr. E. B. FOOTE, Sr., or

Dr. E. B. FOOTE, Jr.,

125 Lexington Ave., New York.

Consultation Free, in person or by letter. VAND-1724

A MAN

WHO IS UNACQUAINTED WITH THE GEOGRAPHY OF THIS COUNTRY, WILL SEE BY EXAMINING THIS MAP, THAT THE

CHICAGO, ROCK ISLAND & PACIFIC RAILWAY

By reason of its central position and close relation to all principal lines East and West, at initial and terminal points, constitutes the most important mid-continental link in that system of thorough transportation which invites and facilitates travel and traffic between cities of the Atlantic and Pacific Coasts. It is also the favorite and best route to and from points East, Northeast and Southeast, and corresponding points West, Northwest and Southwest. The Rock Island system includes in its main line and branches, Chicago, Joliet, Ottawa, La Salle, Peoria, Geneseo, Moline and Rock Island, in Illinois; Davenport, Muscatine, Washington, Fairfield, Ottumwa, Oskaloosa, West Liberty, Iowa City, Des Moines, Indianola, Winterset, Atlantic, Knoxville, Audubon, Earlham, Guthrie, Centre and Council Bluffs, in Iowa; Galena, Trenton, Cameron and Kansas City, in Missouri; Leavenworth and Atchison, in Kansas; Albert Lea, Minneapolis and St. Paul, in Minnesota; Watertown in Dakota, and hundreds of intermediate cities, towns, villages and stations.

THE GREAT ROCK ISLAND ROUTE

Guarantees its patrons that sense of personal security afforded by a solid, thoroughly ballasted road-bed; smooth tracks of continuous steel rail; substantially built cutovers and bridges; rolling stock as near perfection as human skill can make it; the safety appliances of patent buffers, platforms and air-brakes; and that exacting discipline which governs the practical operation of all its trains. Other specialties of this route are transfers at all connecting points in Union Depots, and the unsurpassed comforts and luxuries of its Passenger Equipment.

The Fast Express Trains between Chicago and the Missouri River are composed of well ventilated, finely upholstered Day Coaches, Magnificent Pullman Palace Sleepers of the latest design, and sumptuous Dining Cars in which laborately cooked meals are leisurely eaten. "Good Digestion" waiting on Appetite, and Health on both. Between Chicago and Kansas City and Atchison, are also run the Celebrated Reclining Chair Cars.

THE FAMOUS ALBERT LEA ROUTE

Is the direct and favorite line between Chicago and Minneapolis and St. Paul, where connections are made in Union Depots for all points in the Territories and British Provinces. Over this route, Fast Express Trains are run to the watering places, summer resorts, picturesque localities, and hunting and fishing grounds of Iowa and Minnesota. It is also the most desirable route to the rich wheat fields and pastoral lands of interior Dakota.

Still another DIRECT LINE, via Seneca and Kankakee, has been opened between New Port News, Richmond, Cincinnati, Indianapolis, and Lafayette and Council Bluffs, Kansas City, Minneapolis and St. Paul, and intermediate points.

For detailed information see Maps and Folders, obtainable, as well as Tickets, at all principal Ticket Offices in the United States and Canada; or by addressing
